

**Ladies Golf Club of Marbella  
FROM THE RED TEES**

***JULY  
NEWSLETTER***

***~CHAIRMAN~  
Nancy Cleeremans***

Hi Everyone

It was good to see Yolanda back with us again yesterday as well as Barbara Gallagher, who rejoined this year. Welcome! It is also wonderful to see Sherri out and about at Happy Hour. You are looking so good.

Our DIVAS and DIVOTS is next Thursday. There is a great turnout for the event and Team Joey, Tina and Judy have been artfully shrewd and tight-lipped on what they have planned for us, so I guess we just need to put on some glitz and expect to have a great time.

Our Sr. Club Championship chaired by Bev this year as last year's Champion, is August 2nd and 4th. You can sign up on ForeTees to participate. The final day is our next General Meeting with lunch and awards.

Kerry and Sonya are chairing our Mission Belles this year. Poster and registration forms will be out soon, but you can still find your foursomes and sign-up on ForeTees anytime.

Speaking of computers, we had ours put into the pro shop last week so you can post there after your round. It would make Sonya's job so much easier if you would remember to do so.

As for the remodel, Georgianna, Suzi and I are working with the design team, putting together ideas and materials for our "wet area". We have met once and hopefully will be meeting again shortly. It is still an unknown if we will have our locker room ready

by the Mission Belles. We are making contingency plans

however. The crews are working hard. Keep your fingers crossed ladies!

See you at the Divas and Divots if not before.

Nancy

*Jean Kelly*

The Marbella Staff continues to ask us to play in 4-1/2 hours which equates to 15 minutes per hole. With summer and the hot weather upon us, lets review 7 Keys to playing faster.

## Keys to playing faster:

1. Plan your shot while driving to your ball or while others are playing.
2. Line up your putt when others are putting and be ready to play when it is your turn.
3. Go to your ball and get ready to hit while your partner is playing her shot.
4. Be efficient with your pre-shot routine (one practice swing only, please).
5. Leave your clubs on the side of the putting green toward your golf cart (or the next tee if you are walking).
6. Exit putting green promptly after holing out (do your scoring at the next tee).
7. If you are out of the hole, pick up and estimate your score (putting the x before your score on the card).

These are easy ways to conserve time, ladies, and we should always play without delay and keep up with the group in front of us. If there is more than one hole open in front of you, you should skip the next hole and get back in position on the golf course (unless you are playing in a tournament, in which case you might be subject to getting put on the clock if you do not keep up. No one likes to stand around and wait to make their next shot!

Note: If you fall behind and do get put on the clock in an event, you will be given 40 seconds to complete your shot.
